Additionally, would you like to set up time to meet with our group - The Alliance for Safe Online Pharmacies (ASOP) - later this month, or in June?
There are various stakeholders involved (NABP, APHA, PSM, LegitScript, etc), so we would need some lead time to get them in Washington.

As a reminder - ASOP is the manner in which Lilly (and PhRMA as an observer) is working with other key stakeholders to compile data and collaborate to address the problem of online drug sellers/counterfeits, as we cannot do this as one company, or as PhRMA alone. I would see value in an introductory meeting with ASOP to discuss the recommendations submitted to IPEC.

Thanks,
Jeannie
